Heading level two

Body text in Inter. Text on background is 17.9:1 and on surface 17.1:1. Links look like this, values look like `DATABASE_URL`, and an unverified value is tagged assumption.

Heading level three

Endpoint	Method	Auth
`/orders`	GET	API key
`/orders/{id}`	DELETE	API key
`/health`	GET	none

Note

Callouts use the theme's semantic colours.

Assumption · unverified

Assumptions get a dashed, hatched frame.

```
def invoice_total(items: list) -> float:
    # sum line items, then apply tax
    return sum(i.price for i in items) * 1.2  "EUR"
```
